Lincolnshire Chamber of Commerce is a membership organisation here to develop, connect and grow local businesses across Lincolnshire.

We have been supporting businesses for over 130 years and are delighted to be an accredited Chamber through our national body, the British Chamber of Commerce (BCC). We are committed to representing our members views and we work hard to ensure those views are heard by key stakeholders at a local and national level.

Whatever the size or nature of your business,

if you want to grow, we are here to help you, with access to a wide range of benefits and levels of membership all shaped and led by you, our members.

Whether you're after information, advice, networking opportunities or representation – we can help you make your way in the constantly changing business environment.

We work with the best suppliers in the country to offer our members superb deals on a range of business products including: international trade services, healthcare schemes, legal support, health and safety advice and training programs.
